New Ramp from Northbound Interstate 29/35 to 16th Avenue

NORTH KANSAS CITY, MO – A new exit ramp opened today on schedule for motorists traveling northbound Interstate 29/35 to 16th Avenue. The previous loop ramp to 16th Avenue is now closed.

The exit is a new configuration featuring a longer ramp that allows more deceleration time for drivers, and can accommodate more vehicles than the old loop ramp.

Construction activities are weather dependent and subject to change. Updated lane closure information for the kcICON Project can be found on the project's Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
