EB Armour Rd. Ramp to SB Interstate 29/35 to Open

NORTH KANSAS CITY, Mo. – The on-ramp to southbound Interstate 29/35 from eastbound MO Route 210/Armour Road is scheduled to open Friday, June 25, 2010, following peak morning travel. This is the second of six ramps in the Armour Road and I-29/35 interchange to open following reconstruction on the Missouri Department of Transportation’s kcICON Project. The ramps currently closed at the Armour Road and I-29/35 interchange are scheduled to open in December 2010.

“We appreciate the patience North Kansas City has shown during this extensive construction project,” said MoDOT kcICON Project Director Brian Kidwell. “Paseo Corridor Constructor crews continue to work hard to meet or beat our project completion deadline of July 2011.”

All construction activities are weather dependent and subject to change. Updated lane closure information can be found on the project’s Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
