16th Avenue On-Ramp to Southbound I-29/35 to Close Friday
16th Avenue and Linn Street access to southbound I-29/35 closes following traffic shift

NORTH KANSAS CITY, Mo. – The on-ramp from Linn Street/16th Avenue to southbound Interstate 29/35 will close on Friday, July 30, 2010 following a shift of southbound Interstate 29/35 traffic east to new pavement. The on-ramp will be closed until approximately December 2010. Motorists on eastbound Armour Road are encouraged to take the on-ramp from eastbound MO Route 210/Armour Road to southbound I-29/35. Motorists traveling westbound on Armour Road should follow the detour via MO Route 1/Vernon Street/Prather Road/Antioch Road to southbound Interstate 35.

The peak of construction for the kcICON Project will be this year, impacting motorists who travel the corridor. All construction activities are weather dependent and subject to change. Updated lane closure information for the kcICON Project can be found on the project's Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
